

Believing that God's Word is sufficient for dealing with the moral and spiritual issues of life, Westside Church will be offering a training program designed to equip believers to minister Scripture to hurting people in a way that offers both encouraging hope and life-changing help.

The successful completion of **ALL SESSIONS** leads to a certificate in Biblical Counseling endorsed by Counseling by the Book and Mid-America Baptist Theological Seminary. Students are required to read two books: Counseling by the Book by John Babler, Davie Penley, & Mike Bizell and Wonderful Counselor by Ab Abercrombie. In addition, students must pass a final exam that will be open notes and open Bible.
